

# SURFITEX

COMPLETE POWDER DETERGENT FOR WASHING-MACHINE.

SURFITEX is a complete powder of innovative formulation that develops a strong cleaning action also at low temperature.

Aspect	Powder with blue granules
Color	White
Smell	Floral note
pH at 20° C	(solution 1%) 10,8 +/- 0,3
Relative density	1000 +/- 30 g/l
Solubility in Water	Complete

SURFITEX is used for every kind of cloth treated with the cleaning in water.

SURFITEX is suitable for the treatment of white and colored clothes. The product is biodegradable and its impact on the environment is virtually nil.

Use: dose from 5 to 25 gr per Kg of linen according to the water hardness and the degree of dirt. For the biological soak in washing-machine, follow the machine instructions. For no biological cycle machines, stop the washing-machine after the pre-washing, but before the water waste. The soak must continue at least two hours.

SURFITEX can be stored for more than 3 years.

Keep in a dry place and away from important temperature fluctuations.

Plastic sack with 20 Kg content.

200120 = 20 Kg
