Excellent solubility (also in cold water)

SURFLEAN PROTECT protects fibers because of its composition and prevents shrinkage during drying cycle. It restores body to garments, has an excellent softening power and assures easier ironing. SURFLEAN PROTECT removes static electricity from synthetic fibers and gives a pleasant fragrance.

Thanks to its particular formulation SURFLEAN PROTECT can be used as a finishing product (added to the last rinse) or in combination with SURFLEAN A or SURFLEAN B in the washing cycle to improve fiberprotective power and to restore brilliant textile colours. SURFLEAN PROTECT is suitable for all washing systems, and particularly for wetcleaning.
